

Paints and varnishes — Evaluation of properties of coating systems related to the application process

**Part 2: Colour stability, process
hiding power, re-dissolving, overspray
absorption, wetting, surface texture
and mottling (ISO 28199-2:2009)**

ICS 87.040

National foreword

This British Standard is the UK implementation of EN ISO 28199-2:2009.

The UK participation in its preparation was entrusted to Technical Committee STI/10, Test methods for paints.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2009.
