

BS EN ISO 28765:2016

BSI Standards Publication

Vitreous and porcelain enamels — Design of bolted steel tanks for the storage or treatment of water or municipal or industrial effluents and sludges

National foreword

This British Standard is the UK implementation of EN ISO 28765:2016. It supersedes BS EN ISO 28765:2011 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/36, Vitreous enamel coatings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
