National foreword

This British Standard is the UK implementation of EN ISO 3107:2011. It supersedes BS EN ISO 3107:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/106/1, Dental restorative and orthodontic materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
