Hardmetals — Determination of (the magnetization) coercivity (ISO 3326:2013)

National foreword

This British Standard is the UK implementation of EN ISO 3326:2013. It supersedes BS EN 23326:1993 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/65, Sintered metal components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
