

BS EN ISO 3690:2012

BSI Standards Publication

Welding and allied processes — Determination of hydrogen content in arc weld metal (ISO 3690:2012)

National foreword

This British Standard is the UK implementation of EN ISO 3690:2012. It supersedes BS EN ISO 3690:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/39, Welding consumables.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
