National foreword

This British Standard is the UK implementation of EN ISO 4491-4:2013. It supersedes BS EN 24491-4:1993 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/65, Sintered metal components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
