Earth-moving machinery — Basic types — Identification and terms and definitions

National foreword

This British Standard is the UK implementation of EN ISO 6165:2012. It supersedes BS EN ISO 6165:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/513/1, Earth moving machinery (International).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
