

BSI Standards Publication

Technical product documentation - Representation of splines and serrations

National foreword

This British Standard is the UK implementation of EN ISO 6413:2018. It supersedes [BS EN ISO 6413:1995](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TDW/4.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
