Water quality — Fresh water algal growth inhibition test with unicellular green algae (ISO 8692:2012)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 8692:2012. It supersedes BS EN ISO 8692:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EH/3/5, Biological Methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
