Gas tightness of equipment for gas welding and allied processes

National foreword

This British Standard is the UK implementation of EN ISO 9090:2019. It is identical to ISO 9090:2019. It supersedes BS EN 29090:1992, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/18, Gas welding and cutting appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
