

BSI Standards Publication

Uranium dioxide powder — Determination of apparent density and tap density

National foreword

This British Standard is the UK implementation of EN ISO 9161:2021. It is identical to ISO 9161:2019. It supersedes [BS ISO 9161:2019](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NCE/9, Nuclear Installations, Processes & Technologies.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
