

BSI Standards Publication

Information technology — Security techniques — Security requirements for cryptographic modules

National foreword

This British Standard is the UK implementation of EN ISO/IEC 19790:2020. It is identical to ISO/IEC 19790:2012. It supersedes BS ISO/IEC 19790:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/33, Information security, cybersecurity and privacy protection.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
