Equipment reliability testing

Part 6: Tests for the validity and estimation
of the constant failure rate and constant
failure intensity

National foreword

This British Standard is the UK implementation of IEC 60605-6:2007. It supersedes BS IEC 60605-6:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee DS/1, Dependability and terotechnology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
