Mobile and fixed offshore units – Electrical installations

Part 4: Cables

National foreword

This British Standard is the UK implementation of IEC 61892-4:2019.

The UK participation in its preparation was entrusted to Technical Committee JPEL/18, Electrical installations of ships and of mobile and fixed offshore units.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
