

BSI Standards Publication

Active assisted living (AAL) reference architecture and architecture model

Part 1: Reference architecture

National foreword

This British Standard is the UK implementation of IEC 63240-1:2020.

The UK participation in its preparation was entrusted to Technical Committee ICT/2, ICT Accessibility.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
