

BS ISO 10295-2:2009

BSI Standards Publication

Fire tests for building elements and components — Fire testing of service installations

Part 2: Linear joint (gap) seals

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 10295-2:2009.

The UK participation in its preparation was entrusted to Technical Committee FSH/22, Fire resistance tests.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
