

BS ISO 10631:2013

BSI Standards Publication

Metallic butterfly valves for general purposes

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 10631:2013.

The UK participation in its preparation was entrusted to Technical Committee PSE/18/3, Industrial valves, steam traps, actuators and safety devices against excessive pressure - Part turn valves (Ball, plug and butterfly).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
