

BSI Standards Publication

**Space systems — Programme management —
Material, mechanical parts and processes**

National foreword

This British Standard is the UK implementation of ISO 10794:2018. It supersedes BS ISO 10794:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/68, Space systems and operations.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
