BSI Standards Publication

Information and documentation — Document storage requirements for archive and library materials

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 11799:2015.

The UK participation in its preparation was entrusted to Technical Committee IDT/2/9, Document preservation.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
