Soil quality — Determination of selected explosives and related compounds

Part 1: Method using high-performance liquid chromatography (HPLC) with ultraviolet detection

National foreword

This British Standard is the UK implementation of ISO 11916-1:2013.

The UK participation in its preparation was entrusted to Technical Committee EH/4, Soil quality.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
