Graphic technology — Process control for the production of halftone colour separations, proof and production prints

Part 7: Proofing processes working directly from digital data

National foreword

This British Standard is the UK implementation of ISO 12647-7:2016. It supersedes BS ISO 12647-7:2013 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PAI/43, Graphic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
