National foreword

This British Standard is the UK implementation of ISO 12764:2017. It supersedes BS ISO TR 12764:1997, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPI/30/5, Velocity and Mass Methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
