Technical drawings — General principles of presentation

Part 24: Lines on mechanical engineering drawings

National foreword

This British Standard is the UK implementation of ISO 128-24:2014. It supersedes BS ISO 128-24:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TDW/4, Technical Product Realization.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
