

BSI Standards Publication

Technical product documentation — Indication of dimensions and tolerances

Part 5: Dimensioning of structural metal work

National foreword

This British Standard is the UK implementation of ISO 129-5:2018.

The UK participation in its preparation was entrusted to Technical Committee TDW/4, Technical Product Realization.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
