

BSI Standards Publication

Rolling bearings — Damage and failures — Terms, characteristics and causes

National foreword

This British Standard is the UK implementation of ISO 15243:2017. It supersedes BS ISO 15243:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/7, Rolling bearings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
