Air cargo equipment — Restraint straps

Part 2: Utilization requirements and recommendations and lashing calculations

National foreword

This British Standard is the UK implementation of ISO 16049-2:2020. It supersedes BS ISO 16049-2:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/57, Air cargo and ground support equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
