

BS ISO 16737:2012

BSI Standards Publication

Fire safety engineering — Requirements governing algebraic equations — Vent flows

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 16737:2012.

The UK participation in its preparation was entrusted to Technical Committee FSH/24, Fire safety engineering.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
