Analytical colorimetry

Part 5: Procedure for colorimetric determination of colour differences
of object colours according to equidistant colour spaces

National foreword

This British Standard is the UK implementation of ISO 18314-5:2022.

The UK participation in its preparation was entrusted to Technical Committee W/-, Consumer Products and Services Sector Policy and Strategy Committee.

A list of organizations represented on this committee can be obtained on request to its committee manager.

Contractual and legal considerations
