

BS ISO 18766:2014

BSI Standards Publication

Rubber, vulcanized or thermoplastic — Low temperature testing — General introduction and guide

National foreword

This British Standard is the UK implementation of ISO 18766:2014.

The UK participation in its preparation was entrusted to Technical Committee PRI/22, Physical testing of rubber.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
