

BSI Standards Publication

TPMS snap-in valves

Part 1: Identification

National foreword

This British Standard is the UK implementation of ISO 18885-1:2017.

The UK participation in its preparation was entrusted to Technical Committee AUE/4, Tyres and wheels for motor vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
