

BSI Standards Publication

Imaging materials — Colour reflection prints — Test method for ozone gas fading stability

National foreword

This British Standard is the UK implementation of [ISO 18941:2020](#). It supersedes [BS ISO 18941:2017](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPW/42, Photography.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
