National foreword

This British Standard is the UK implementation of ISO 20176:2011. It supersedes BS ISO 20176:2006, which is withdrawn. BS ISO 20176 and BS ISO 6549:1999 will co-exist for a transition period of at least ten years.

The UK participation in its preparation was entrusted to Technical Committee AUE/12, Safety related to occupants.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
