Guidelines for performance evaluation of treatment technologies for water reuse systems

Part 3: Ozone treatment technology

National foreword

This British Standard is the UK implementation of ISO 20468-3:2020.

The UK participation in its preparation was entrusted to Technical Committee B/505/50, Water reuse.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
