

BSI Standards Publication

**Intelligent transport systems — Partially
automated parking systems (PAPS) — Performance
requirements and test procedures**

National foreword

This British Standard is the UK implementation of [ISO 20900:2019](#).

The UK participation in its preparation was entrusted to Technical Committee EPL/278, Intelligent transport systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
