

BS ISO 21751:2011

BSI Standards Publication

Plastics pipes and fittings — Decohesion test of electrofusion assemblies — Strip-bend test

National foreword

This British Standard is the UK implementation of ISO 21751:2011.

The UK participation in its preparation was entrusted to Technical Committee PRI/88/4, Test Methods - Plastic Piping.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
