

BSI Standards Publication

**Ships and marine technology — Navigation
and ship operations — Guidelines for
onboard telephone equipment**

National foreword

This British Standard is the UK implementation of [ISO 21792:2019](#).

The UK participation in its preparation was entrusted to Technical Committee EPL/80, Maritime navigation and radiocommunication equipment and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
