Plain bearings — Automotive engine bearing test rig using actual connecting rods

Part 1: Test rig

National foreword

This British Standard is the UK implementation of [ISO 21866-1:2020](#).

The UK participation in its preparation was entrusted to Technical Committee MCE/12, Plain bearings.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
