

**BSI Standards Publication**

**Optics and photonics — Optical materials  
and components — Specification of calcium  
fluoride used in the infrared spectrum**

---

# National foreword

This British Standard is the UK implementation of ISO 22576:2020.

The UK participation in its preparation was entrusted to Technical Committee CPW/172, Optics and Photonics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
