

BS ISO 22667:2013

BSI Standards Publication

Space data and information transfer systems — Communications operation procedure-1

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 22667:2013. It supersedes BS ISO 22667:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/68/-/7, Space systems and operations - Space data and information transfer systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
