Industrial trucks — Verification of stability

Part 5: Single-side-loading trucks

National foreword

This British Standard is the UK implementation of ISO 22915-5:2020. It supersedes BS ISO 22915-5:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MHE/7, Industrial trucks.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
