types for hydraulic applications — Specification**

National foreword

This British Standard is the UK implementation of ISO 23297:2017. It supersedes BS ISO 23297:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/66, Rubber and plastics tubing, hoses and hose assemblies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
