

BSI Standards Publication

**Ships and marine technology — Specification
of high manganese austenitic steel thin
strips used for LNG tanks on board ships**

National foreword

This British Standard is the UK implementation of ISO 23430:2019.

The UK participation in its preparation was entrusted to Technical Committee SME/32, Ships and marine technology - Steering committee.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
