Foundry machinery — Vocabulary

Part 2: Molding and coremaking machines and other equipment
related to non-permanent mold casting process

National foreword

This British Standard is the UK implementation of [ISO 23472-2:2020](#).

The UK participation in its preparation was entrusted to Technical Committee MCE/3/10, Foundry machinery - Safety.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
