

Optics and photonics — Specification of reference dictionary

Part 1: General overview on organization and structure

ICS 37.020

National foreword

This British Standard is the UK implementation of ISO 23584-1:2009.

The UK participation in its preparation was entrusted to Technical Committee CPW/172/1, Fundamental standards.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2009
