

BSI Standards Publication

Unmanned aircraft systems — Training for personnel involved in UAS operations

National foreword

This British Standard is the UK implementation of [ISO 23665:2021](#).

The UK participation in its preparation was entrusted to Technical Committee ACE/20/3, UAS - Operations and procedures.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
