

Document management — Monitoring and verification of information stored on 130 mm optical media

ICS 37.080

National foreword

This British Standard is the UK implementation of ISO 23868:2008.

The UK participation in its preparation was entrusted to Technical Committee IDT/1/1, Quality.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2009
