

BSI Standards Publication

Liquid cargo handling equipment — Crude oil offloading system — Tandem mooring winches

National foreword

This British Standard is the UK implementation of [ISO 24042:2020](#).

The UK participation in its preparation was entrusted to Technical Committee SME/32, Ships and marine technology - Steering committee.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
