

BSI Standards Publication

**Ergonomics — Accessible design —
A method for estimating minimum
legible font size for people at any age**

National foreword

This British Standard is the UK implementation of ISO 24509:2019.

The UK participation in its preparation was entrusted to Technical Committee PH/9, Applied ergonomics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
