

BS ISO 2493-1:2010

BSI Standards Publication

Paper and board — Determination of bending resistance

Part 1: Constant rate of deflection

National foreword

This British Standard is the UK implementation of ISO 2493-1:2010. Together with BS ISO 2493-2, it supersedes BS 3748:1992, which will be withdrawn on publication of BS ISO 2493-2.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
