

Milk products — Determination of the acidification activity of dairy cultures by continuous pH measurement (CpH)

ICS 67.100.01

National foreword

This British Standard is the UK implementation of ISO 26323:2009.

The UK participation in its preparation was entrusted to Technical Committee AW/5, Chemical analysis of milk and milk products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 February 2010.
